Bloom and Become

30 DAYS OF MOTIVATIONAL QUOTES FOR THE PURPOSED-DRIVEN.

By: Janeth A. Benjamin

Hey there,

I'm Janeth, a writer and a poet. I am here to motivate and help anyone willing to push through circumstances and passionately pursue their purpose. Times are getting harder for most of us, especially creatives living that purposed life. This is for anyone needing a little pick-me-upper at the lowest times.

Be focused.
Be Creative.
Be You, always.

DAY ONE

The creator created you to create. Get up, drink something warm, and create.

DAY TWO

Don't worry about what you didn't create yesterday. Take this moment to rest and reimagine the masterpiece.

DAY THREE

Your greatest work will be the one you doubted. Keep writing, keep painting, keep creating amazing things.

DAY FOUR

Now that your eyes are open, make the sun jealous with your burning passion to start the day.

DAY FIVE

If all you do today is think about what you want to do, it counts. Thinking is part of the process, just remember to make a plan to execute those thoughts.

DAY SIX

Your story will change someone's life and that should be enough for you to keep going.

DAY SEVEN

The last thing you created didn't bloom as expected. Don't use that as the measuring stick for your next project, use it as guide to create something extraordinary.

DAY EIGHT

Bloom my darling. After all the ups and downs, you're still pushing through. Your roots are grounded and you are being watered. Bloom

DAY NINE

You are not alone. You have a gift and there is purpose in your gift. Create an outlet to share that purpose with the world.

Where you come from has nothing to do with where you are going. Be brave and willing to forge the path to live in your purpose.

DAY SIXTEEN

I've learned that the more you create the better you feel. Creativity is infinite and your source of joy.

DAY TWENTY-FOUR

In times of uncertainty put your trust in God. Trust that God will do the extraordinary. Trust your gift and your purpose.

DAY TWENTY-SEVEN

A day will come when you will smile your wear will be your proudest accomplishment. Hang in there.

DAY TWENTY-EIGHT

The truth is, someone is always watching what you're doing. May it be a supporter or someone looking for inspiration. Keep doing what you're doing, even in small doses.

The fact that you're still here is proof that there is more work to be done. Don't bother yourself too much with the questions, the answers will come when the time is right.

Your greatest asset is your will power coupled with your endless ability to create. Be fearless, be focused and use the gifts and talents you were given to make this world a better place.

FOR THAT EXTA DAY YOU MIGHT NEED MORE LOVE

If you ever lost your way, go back to the beginning. The first time you connected with your purpose and never forget why you started.

FOR WHAT IT'S WORTH, I HOPE YOU BLOOM AND BECOME ALL YOU WERE CREATED TO BE.
